

Cookie Rewards Sister Policy

Sisters can attend Cookie Program rewards events together even if only one sister is recorded as having the sales to earn the reward. However, a fee of \$40.00 will be charged for each sister to cover council expenses (this fee is subject to change depending on the reward).

Sister patches can be purchased from council at cost. To order patches please email storeorders@girlscoutsny.org. Please bear in mind there is a limited supply of patches.

The Sister Program will be eliminated during the 2020 Cookie Program. There will be no option for sisters to buy into rewards next year.
