Optional setup:

Place an 18" piece of masking tape on the table, sticky side down. Draw a line at 8" and 16". At 8", write "fold line." At 16", write "sticky side up." Masking tape will be used just for measuring.

- 1 Cut an 18" piece of duct tape and lay it above the masking tape, sticky side up. Draw the 8" and 16" lines on the duct tape.

- 2 Fold the tape at the 8" line, carefully positioning the sticky sides together.

- 3 Wrap the duct tape around the palm of your hand to form a loop. Secure it by pressing the remaining 2" of the sticky side to the end of the loop.

- 4 Cut ten 18" pieces of curling ribbon using the masking tape as a guide. Tie the ribbons around the duct tape loop, pulling tight enough to fold in the tape.

- 5 Using craft sticks or safety scissors, curl the ends of the ribbon. (Provide adult supervision and assistance where necessary.)

- 6 Cut out cookie clip art and hole punch. Stick the clip art to one side of the key tags (two per pom).

- 7 Decorate the other side of the tags with the cookie's name, ingredients or special features.

- 8 Attach the key tags to the base of the pom using two of the ribbons.

- 1** Cut out circular art for the gift bags and use a hole punch on the dotted lines. Tie them to the handles of the gift bag with ribbon or string.

- 2** Cut out safety tip slips and fold in half. Place each tip into a gift bag along with a small prize (optional). Slips coordinate with the circular art.

- 3** To make a DIY fishing pole: Wrap a string around the end of a craft dowel several times and secure with glue.

- 4** Make sure there is 3-4' of string hanging from the end of the dowel. Tie a paper clip to the end of the string to act like a hook.

- 5** Line up the gift bags and invite girls to take turns fishing by hooking the bag handles with the fishing pole. Either the girls or a volunteer reads them as they're caught, and girls keep the prize.

Optional:

Cut an irregular circle shape out of the blue poster board to act as a pond or lake.

Go Fish for Safety

Safety tip slips to be placed in gift bags. Find the full list of [Safety Guidelines](https://www.girlscouts.org/safety-guidelines) on [girlscouts.org](https://www.girlscouts.org).

Show you're a Girl Scout

Wear a Girl Scout uniform, membership pin, vest, sash, or other Girl Scout clothing to clearly identify yourself as a Girl Scout.

Use the buddy system

Always use the buddy system. It's not just safe, it's more fun.

Be streetwise

Become familiar with the areas and neighborhoods where you'll be selling cookies.

Partner with adults

Adults must accompany any Girl Scout Daisies, Brownies and Juniors when they're taking orders, selling cookies, or delivering cookies. Girls in grades 6-12 must be supervised by an adult when selling door-to-door and must never sell alone. Adults must be present at all time during cookie booth sales.

Plan ahead

Be prepared for emergencies, and always have a plan for safeguarding money.

Do not enter any homes or vehicles

Never enter someone's home or vehicle when you're selling or making deliveries. Avoid selling to people in vehicles, except at designated drive-thru cookie booths, and avoid going into alleys.

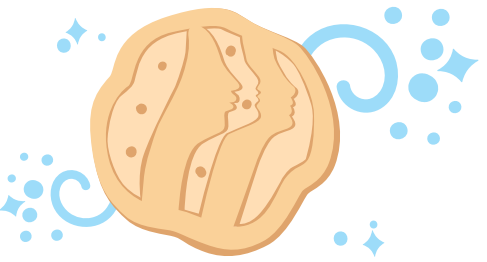

Go Fish for Safety

Safety tip slips to be placed in gift bag and circular art for outside of gift bags

Sell in daytime
Sell only during daylight hours, unless accompanied by an adult.

Protect privacy
Girls' last names, home addresses, and email addresses should never be given out to customers. Protect customers' privacy by not sharing their information except when necessary.

Be safe on the road
Always follow safe pedestrian practices, especially when crossing at intersections or walking along roadways. Be aware of traffic when unloading product and passengers from vehicles.

Be safe online
Girls must have their parent's/guardian's permission to participate in all online activities, and must read and agree to the GSUSA Internet Safety Pledge before conducting any online activities. Additionally, to participate in Digital Cookie, girls must read and abide by the Girl Scout Digital Cookie Pledge and parents/guardians must read and abide by the Digital Cookie Terms and Conditions for Parents/Guardians.

Goal Sand Jar Instructions

- 1 Choose a clear jar or use a recycled one. Plan your sand design by selecting 3-6 colors, one for each goal you set. Starting with one color, hold the jar at a slight angle and pour in the sand to create the first layer.
- 2 Carefully turn the jar the opposite way and pour the next layer of colored sand. This makes a zig-zag layered effect. Repeat this until all layers are complete and the jar is mostly filled.
- 3 When on the final layer, set the jar back on the table and finish filling the jar to the very top. Secure the lid to keep the sand in place, so the layers do not shift when the jar is moved.

Tip:
Using a
funnel can
be helpful!

- 4 Cut out template art and customize. Place on outside and top of jar lid.
- 5 Optional: After you've reached your Girl Scout Cookie™ goals, display your sand jar with an air plant on top as cute room decor!

Cookie Entrepreneur Family Pins

When Girl Scouts sell Girl Scout Cookies®, they utilize the 5 skills—goal setting, decision making, money management, people skills and business ethics—and learn to think like entrepreneurs. Girls can earn badges and pins for every year they participate in the Girl Scout Cookie Program®.

Team up to learn and earn

When Girl Scouts team up with their caregivers to set goals for the season, they complete the first step toward earning the Cookie Entrepreneur Family Pin!

At your rally, troops can explore Girl Scouts' National Program Portfolio and decide which badge or pin they want to earn. At the end of the activity, distribute the Cookie Entrepreneur Family Pin requirement sheet to girls so they can start earning at home with support from their caregivers. This activity is designed to connect both Girl Scouts and caregivers with the five essential skills learned through the Girl Scout Cookie Program.
