Fun Activities for Kids Spending a LOT of Time at Home

Whether you're on school break or it's just the weekend, your family is probably spending more time at home than ever. If you've had enough movie nights to program an entire film festival and are hungry for something (anything!) different, we hear you.

There are lots of tips out there about how to get through all this extra time at home unscathed, but we'd rather you get through it smiling with a ton of fun new memories and experiences under your belt. Here's how to make it work.

- Create a Go-To Fun Kit
- Start a Book Club
- Pick a Theme for Each Week
- See Nature Through Her Eyes
- Learn a Whole Dance Routine Together
- Swap Screens for Sundaes
