# Solar Eclipse Party

To celebrate the solar eclipse on Monday, April 8, Girl Scouts of Northeastern New York (GSNENY) hosted a solar eclipse party at Hidden Lake Camp. 100 Girl Scouts attended this sold out event and got to participate in hands-on activities like making a cookie box spectroscope, a pinhole viewer, and a UV Bead Demo, as well as got to enjoy Moon Pies in preparation for viewing the 98% totality of the eclipse for a brief moment.

## Teach Her to Shut Down Haters With Confidence

We're all working to create a more peaceful world, where people are respectful of each other and bullying is a thing in the past, but in the meantime, there's a good chance your daughter will encounter at least one instance of someone talking behind her back or hurting her feelings at school. Hearing that your girl is going through a hard time can be heartbreaking, but instead of immediately stepping in and trying to fix the situation for her, Girl Scouts Developmental Psychologist Andrea Bastiani Archibald says it's better to arm her with ways to handle the situation herself if possible...[READ MORE](#)

## The Southern Region International Fair

The International Fair is an annual event that honors the spirit of World Thinking Day (celebrated February 22nd each year), a day when Girl Scouts and Girl Guides everywhere come together to harness their collective power to change their world for the better. Juliette Gordon Low, founder of Girl Scouting in the United States, believed it was very important that Girl Scouts be aware of their membership in the worldwide movement.

At this fun, educational event, we emphasize Girl Scouting as a worldwide experience. Girl Scout teams may sign up to host an exhibit representing a country in which Girl Scouts reside. Attendees may sample different foods from around the world and learn about different cultures and customs.
