

Silver Award Hour Log

Reminders:

- Submit your hour log along with:
 - Your Silver Award Proposal, showing the hours, you have completed so far
 - Your Silver Award Final Report, showing all of the time you spent on your Silver Award project.
- **A Silver Award project is a minimum of 50 hours** from start to finish
- Everything that you do for your Silver Award project (besides the prerequisite) counts as hours and should be recorded. This includes attending a workshop, brainstorming ideas, emailing your advisor, completing your Final Report, etc.
- Record and count only **your own** hours spent working on **your own** project. For example, if you and a teammate work on a brochure for your project for an hour, that would be one hour on your hour log; your teammate's time counts only for her hour log
- Add or remove rows as necessary
