Missing a girl or two from last year? No problem. Welcome a new friend to fill the spot!

- 1 Match or beat last year's renewal numbers**
Renew your returning girls and welcome new ones until you reach your MY26 number or more. New can mean a girl moving from another troop, a Juliette joining a troop, or a brand-new member. Ambassador troops: renew all non-graduated girls.
- 2 Have 2 registered adults**
Your troop needs two registered adult volunteers.
- 3 Join Sweets & Treats**
Opt in, and every girl member sends 18+ emails through M2 or sells at least 1 item (online or card sale).
