

GSNENY Plastics Pledge

I will use a refillable water bottle instead of a single use bottle,
Since I love the environment and working towards it loving me.

I won't use a plastic straw because Americans use over
500,000,00 every day that aren't recycled.

I promise not to use single use plastic bags since
People only use them for only 12 minutes before throwing away
I will use reusable silverware and containers,

Whenever packing a meal

I promise to use a cloth or reusable bag when shopping
I'll work to spread the "word" about not using plastics to those I know
Using resources wisely, and making the world a better place is part of the
Girl Scout Promise, so we start reducing our plastic waste as
Girl Scouts!
